likewise services individual and institutional clients across the United States.

4. Defendant John Hancock and Defendant UBS are customers of Defendant DG3. The members of the Settlement Class are clients or former clients of Defendant John Hancock, Defendant UBS, and other Defendant DG3 customers who gave their personal information to Defendant John Hancock, Defendant UBS, or other entities as a necessary part of their business relationship.

5. On or about March 19, 2024, Defendant DG3 noticed suspicious activity within its computer systems and network (“the Data Incident”). In response, Defendant DG3 launched an investigation which revealed that a cybercriminal organization accessed certain personal information within DG3’s computer systems and network in connection with the Data Incident.

6. On about June 13, 2024, DG3, on behalf of its clients, began providing notification of the Data Incident to individuals whose Private Information may have been impacted in connection therewith. In total, DG3 provided notice of the Data Incident to approximately 53,227 individuals. Of these individuals, approximately 25,852 individuals had their Social Security numbers contained within the Private Information that may have been impacted in connection with the Data Incident, and approximately 27,375 individuals did not have their Social Security numbers potentially impacted.

7. On June 28, 2024, Plaintiff Cunningham initiated this Action by filing a complaint against Defendant DG3 and Defendant John Hancock asserting several claims related to the Data Incident. [ECF No. 1].

8. On July 19, 2024, Plaintiff De Salvo filed a complaint against Defendant DG3 related to the Data Incident that was materially and substantively identical to the Action, as it contained overlapping claims, sought to represent the same putative class members, and arose out of the same Data Incident. *See De Salvo v. DG3 North America, Inc.*, Case No. 2:24-cv-7887.

9. Thereafter, in September 2024, Plaintiff De Salvo voluntarily dismissed her complaint and joined as a plaintiff in the Action. Plaintiffs Cunningham and De Salvo jointly filed the Complaint in the Action against Defendant DG3, Defendant John Hancock, and Defendant UBS on August 16, 2024, alleging claims for negligence/negligence *per se*, breach of implied contract, breach of third-party beneficiary contract, breach of fiduciary duty, breach of confidence, unjust enrichment, and violation of the Illinois Consumer Fraud Act. [ECF No. 13].

10. Shortly thereafter, the Parties began discussing settlement and scheduled a mediation with experienced class-action mediator, Hon. Morton Denlow (Ret.). The Parties sought a stay of the Action, including of the time for Defendants to answer, move, or otherwise respond to the Complaint, to allow the Parties time to explore the possibility of settlement and to participate in the mediation. [ECF Nos. 11, 12, 27, 28].

11. In advance of the mediation, the Parties exchanged informal discovery requests on, among other things, the nature and cause of the Data Incident, the number and geographic location of individuals impacted, the specific type of information accessed, and the injuries and damages alleged by Plaintiffs. The Parties also exchanged comprehensive mediation statements.

12. The mediation was conducted on January 21, 2025. Following a full day of mediation, the Parties reached an agreement on the material terms of a class-wide settlement.

13. On January 28, 2025, the Parties filed a Joint Notice of Settlement advising the Court as to the outcome of the mediation and the intent to file a Motion for Preliminary Approval. [ECF No. 29].

14. The Parties have agreed to settle the Action in its entirety, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties.

15. Defendants have entered into the Settlement Agreement to resolve all controversies and disputes arising out of or relating to the Data Incident and/or the allegations made in the

Complaint, and to avoid litigation costs and the expenses, distractions, burden, expense, and disruption to their business operations associated with further litigation.

16. Defendants do not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in any Complaint and/or related to the Data Incident.

17. Nothing contained in the Settlement Agreement shall be used or construed as an admission of liability, and the Settlement Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of the Settlement Agreement.

18. Plaintiffs have entered into the Settlement Agreement in the interests of obtaining the benefits provided for herein for the Settlement Class Members and to avoid the risk, delay, and uncertainty of continued litigation.

19. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses.

20. The Parties intend the Settlement Agreement to bind Plaintiffs, Defendants, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

#### **IV. Certification of the Settlement Class**

93. In the Motion for Preliminary Approval, Plaintiffs shall propose and request that the Court certify the Settlement Class for settlement purposes only. Defendants agree solely for purposes of the settlement provided for in this Settlement Agreement, and the implementation of such settlement, that this case shall proceed as a class action; provided however, that if a Final Approval Order is not issued, then any certification shall be null and void and, for the avoidance

of doubt, Defendants shall retain all rights to object to any future requests to certify a class. Plaintiffs and Class Counsel shall not reference this Settlement Agreement in support of any subsequent motion for class certification of any class in the Action.

**V. Settlement Consideration**

94. When submitting a Claim, Settlement Class Members may elect either (a) reimbursement for Documented Losses or (b) in lieu of reimbursement for Documented Losses, an Alternative Cash Payment, and (c) Credit Monitoring. If a Settlement Class Member does not submit a Valid Claim or opt-out of the settlement, the Settlement Class Member will release his or her claims against Defendants without receiving any Settlement Class Member Benefits.

**a. Reimbursement for Documented Losses**

95. All Settlement Class Members may submit a Claim for reimbursement of Documented Losses, up to a maximum of Two Thousand Five Hundred Dollars and Zero Cents (\$2,500.00). Documented Losses are unreimbursed costs or expenditures incurred by a Settlement Class Member that are fairly traceable to the Data Incident including, without limitation, the following: (i) unreimbursed costs, expenses, losses or charges incurred a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of class member's personal information; (ii) costs incurred on or after January 30, 2024, associated with purchasing or extending additional credit monitoring or identity theft protection services and/or accessing or freezing/unfreezing credit reports with any credit reporting agency; and (iii) other miscellaneous expenses incurred related to any Documented Losses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.

96. Settlement Class Members who elect to submit a claim for reimbursement for Documented Losses must provide to the Settlement Administrator the information required to evaluate the claim, including: (1) the Settlement Class Member's name and current address;

(2) documentation supporting their claim; (3) a brief description of the documentation describing the nature of the loss, if the nature of the loss is not apparent from the documentation alone; and (4) whether the Settlement Class Member has been reimbursed for the loss by another source. Documentation supporting Documented Losses can include receipts or other documentation not “self-prepared” by the Settlement Class Member that document the costs incurred. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to support a request for reimbursement, but can be considered to add clarity to or support other submitted documentation. Settlement Class Members shall not be reimbursed for Documented Losses if they have already been reimbursed for the same losses by another source, including compensation provided in connection with the identity protection and credit monitoring services offered as part of the notification letter provided by Defendant DG3 or otherwise. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and converted into either a Group 1 or Group 2 Claim depending on whether their Social Security number was included in the Private Information compromised in the Data Incident(s) or otherwise.

97. The Settlement Administrator shall verify that each person who submits a Claim Form is a Settlement Class Member. The Settlement Administrator shall have the sole discretion and authority to determine whether and to what extent documentation for Documented Losses reflects valid Documented Losses actually incurred that are fairly traceable to the Data Incident, but shall consult with Class Counsel in making individual determinations. In assessing what qualifies as “fairly traceable,” the Parties agree to instruct the Settlement Administrator to consider (i) whether the timing of the loss occurred on or after January 30, 2024; and/or (ii) whether the Personal Information used to commit identity theft or fraud consisted of the same type of Personal

Information that was potentially impacted as a result of the Data Incident. The Settlement Administrator is authorized to contact any Settlement Class Member (by e-mail, telephone, or U.S. mail) to seek clarification regarding a submitted claim prior to making a determination as to its validity.

**b. Alternative Cash Payments**

98. In lieu of a Claim for reimbursement of Documented Losses, all Settlement Class Members may submit a claim for an Alternative Cash Payment. The amount of the Alternative Cash Payment will be calculated in accordance with the below. In the event the amount of Valid Claims for Alternative Cash Payment exhausts the amount of the Settlement Fund, the amount of the Alternative Cash Payments will be reduced *pro rata* accordingly. However, under no circumstances will the Alternative Cash Payment (excluding any residual increase as set forth in Paragraph 139 below) exceed One Hundred Dollars and Zero Cents (\$100.00) for Group 1 Settlement Class Members and Fifty Dollars and Zero Cents (\$50.00) for Group 2 Settlement Class Members.

**c. Credit Monitoring**

99. In addition to a Claim for reimbursement of Documented Losses or an Alternative Cash Payment, Settlement Class Members may elect to receive Credit Monitoring. The Credit Monitoring will include: (i) real time monitoring of the Settlement Class Member's credit file at one bureau; (ii) dark web scanning with immediate notification of potential misuse; (iii) comprehensive public record monitoring; (iv) identity theft insurance with no deductible; and (v) access to fraud resolution agents to help investigate and resolves instances of theft. The Credit Monitoring has a value of \$90.00 per year, per Settlement Class Member.

**d. Confirmatory Discovery**

100. Within thirty (30) days of the Preliminary Approval Order, Defendant DG3 will

provide Class Counsel with a written declaration regarding the security measures it implemented following the Data Incident. The attestation will indicate the amount of money Defendant DG3 has incurred or will incur in connection with the implemented or to-be-implemented measures, the costs of which are the responsibility of Defendant DG3 and will not in any way reduce the Settlement Amount.

101. The declaration provided by Defendant DG3 shall be treated as confidential and cannot be used for any purpose other than enforcement of this Settlement Agreement.

102. Nothing about this Section V(d) shall create any rights to any present or future contractual or equitable remedies requiring Defendant DG3, or any other Defendant, to make or maintain any particular security processes or procedures in the future.

#### **VI. Preliminary Approval**

103. Within ten (10) days following execution of the Settlement Agreement by all Parties and Class Counsel, Class Counsel shall file a Motion for Preliminary Approval. The Preliminary Approval Order shall be attached to the motion as an exhibit.

104. The Motion for Preliminary Approval shall, among other things, request that the Court: (1) preliminarily approve the terms of the settlement as being within the range of fair, adequate, and reasonable; (2) provisionally certify the Settlement Class for settlement purposes only; (3) approve the Notice Program set forth herein and approve the form and content of the Notices of the settlement; (4) approve the Claim Form and Claim Process; (5) approve the procedures for Settlement Class Members to opt-out of the settlement or for Settlement Class Members to object to the settlement; (6) appoint Plaintiffs who signed this Settlement Agreement as Class Representatives and Kenneth Grunfeld and John Nelson as Class Counsel for settlement purposes; (7) stay the Action pending Final Approval of the Settlement; and (8) schedule a Final Approval Hearing for a time and date mutually convenient for the Court, the Parties, Class

Counsel, and Defendants' counsel that is no earlier than 120 days after entry of the Preliminary Approval Order.

105. Class Counsel shall provide Defendants' counsel with a draft of the Motion for Preliminary Approval within a reasonable time frame prior to its filing to provide an adequate opportunity for Defendants to provide input and request revisions.

**VIII. Notice to the Settlement Class, Opt-Out Procedures, and Objection Procedures**

109. Defendant DG3 will make available to Class Counsel and the Settlement Administrator the Class List no later than 10 days after entry of the Preliminary Approval Order.

110. Within 30 days following entry of the Preliminary Approval Order, the Settlement Administrator shall commence the Notice Program provided herein, using the forms of Notice approved by the Court.

111. The Postcard Notice shall include, among other information: a description of the material terms of the Settlement; how to submit a Claim Form; the Claim Form Deadline; the last day of the Opt-Out Period for Settlement Class Members to opt-out of the Settlement Class; the last day of the Objection Period for Settlement Class Members to object to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Awards; the Final Approval Hearing date; and the Settlement Website address at which Settlement Class Members may access this Settlement Agreement and other related documents and information.

112. If the date or time for the Final Approval Hearing changes, the Settlement Administrator shall update the Settlement Website to reflect the new date. No additional notice to the Settlement Class is required if the date or time for the Final Approval Hearing changes.

113. The Settlement Administrator shall establish the Settlement Website no later than the day before Notice is first initiated. The Settlement Administrator shall ensure the Settlement Website makes available the Court-approved online Claim Form that can be submitted directly on the Settlement Website or in printable version that can be sent by U.S. Mail to the Settlement Administrator.

114. The Long Form Notice also shall include a procedure for Settlement Class Members to opt-out of the Settlement Class, and the Postcard Notice shall direct Settlement Class Members to review the Long Form Notice to obtain the opt-out instructions. A Settlement Class Member may opt-out of the Settlement Class at any time during the Opt-Out Period by mailing a Request for Exclusion to the Settlement Administrator postmarked no later than the last day of the Opt-Out Period. The Request for Exclusion must be personally signed by the Settlement Class Member and contain the requestor's name, address, telephone number, and email address (if any), and include a statement indicating a request to be excluded from the Settlement Class. Any Settlement Class Member who does not submit a timely and valid Request for Exclusion shall be bound by the terms of the Settlement Agreement even if that Settlement Class Member does not submit a Valid Claim.

115. The Long Form Notice also shall include a procedure for Settlement Class Members to object to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Awards, and the Postcard Notice shall direct Settlement Class Members to review the Long Form Notice to obtain the objection instructions. Objections must be sent by U.S. Mail to the Settlement Administrator and the Court. For an objection to be considered by the Court, the relevant

Settlement Class Member must submit the objection no later than the last day of the Objection Period, as specified in the Notice, and the relevant Settlement Class Member must not have excluded himself or herself from the Settlement Class. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid and addressed in accordance with the instructions. If submitted by courier (*e.g.*, Federal Express), an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label.

116. For an objection to be valid, the objection must also set forth:

117. Within seven (7) days after the deadline for opt-out as set forth in this Paragraph and as approved by the Court, the Settlement Administrator shall furnish to counsel for the Parties a complete list of all timely and valid request for exclusions. In the event that within seven (7) days after receipt of the list from the Settlement Administrator, there have been more than one hundred (100) Opt-Outs (exclusions), Defendants may, by notifying Class Counsel in writing, void the Settlement Agreement. If Defendants void the Settlement Agreement pursuant to this Paragraph, Defendants shall be obligated to pay all settlement expenses already incurred, excluding any attorneys' fees, costs, and expenses of Class Counsel and Service Awards.

118. The Settlement Administrator shall perform reasonable address traces for Postcard Notices that are returned as undeliverable. By way of example, a reasonable tracing procedure would be to run addresses of returned postcards through the Lexis/Nexis or Westlaw database that can be utilized for such purpose. No later than sixty (60) days before the original date set for the Final Approval Hearing, the Settlement Administrator shall complete the re-mailing of Postcard Notice to those Settlement Class Members whose new addresses were identified as of that time through address traces.

119. The Notice Program shall be completed no later than 60 days before the original date set for the Final Approval Hearing.

**IX. Claim Form Process and Disbursement of Settlement Class Member Benefits**

120. The Notice and the Settlement Website will explain to Settlement Class Members that they may be entitled to a benefit under the Settlement and how to submit a Claim Form.

121. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form.

122. The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement Agreement and thus qualifies as a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

123. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class Member. If the Settlement Administrator identifies any Claim Form that appears to be a duplication, the Settlement Administrator shall contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

124. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps they deem appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or

possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may request information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

125. Claim Forms that do not meet the terms and conditions of this settlement shall be promptly rejected by the Settlement Administrator, and the Settlement Administrator shall advise the Claimant or Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or fifteen (15) days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendants and Class Counsel otherwise agree. For Claimants seeking reimbursement for Documented Losses that fail to provide sufficient information and/or documentation, the Settlement Administrator and may convert their claims to either a Group 1 or Group 2 Claim depending on whether the Claimant's Social Security number was compromised in the Data Incident.

126. Where a good faith basis exists, the Settlement Administrator may reduce or reject

a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

127. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have sixty (60) days from the Claim Form Deadline to approve or reject Claims;
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph;
- c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendants' counsel shall be provided with copies of all such notifications to Claimants; and
- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

128. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or counsel for any of the Defendants. Additionally, Class Counsel and counsel for any of the Defendants shall have the right, but not the obligation, to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

129. No person or entity shall have any claim against Defendants, Defendants' Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement. The Parties, Class Counsel, Defendants' counsel, and Defendants' insurers and reinsurers, shall not have any liability whatsoever with respect to (i) any act, omission or determination of the Settlement Administrator, or any of its respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment or distribution of the Settlement Fund; (iii) the formulation, design or terms of the disbursement of the Settlement Fund; (iv) the determination, administration, calculation or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by or fluctuations in the value of the Settlement Fund; or (vi) the payment or withholding of any Taxes and Tax-Related Expenses.

130. The Settlement Administrator shall indemnify and hold harmless the Parties, Class Counsel, Defendants' counsel, and Defendants' insurers and reinsurers for (i) any act or omission or determination of the Settlement Administrator, or any of Settlement Administrator's designees or agents, in connection with the Notice Plan and the administration of the Settlement; (ii) the management, investment or distribution of the Settlement Fund; (iii) the formulation, design or terms of the disbursement of the Settlement Fund; (iv) the determination, administration,

calculation or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in the value of the Settlement Fund; or (vi) the payment or withholding of any Taxes and Tax-Related Expenses.

131. The Settlement Administrator shall distribute the Settlement Class Member Benefits provided for in Section V, above, no later than seventy-five (75) days after the Effective Date.

132. Any monetary payments to Settlement Class Members shall be made by electronic payment or by paper check, by sending Settlement Class Members with Valid Claims an email to select from alternative forms of electronic payment or by paper check. Settlement Class Members will have a period of one hundred eighty (180) days to select their electronic payment or to negotiate their paper check. In the event of any complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendants' counsel. Absent specific instructions from Class Counsel and Defendants' counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and the Settlement Class Member shall forfeit his or her right to the funds.

133. The Settlement Administrator shall send an email to Settlement Class Members with Valid Claims that elected Credit Monitoring with information on how to enroll in the Credit Monitoring, including the activation code.

134. The Settlement Administrator must first use the funds available in the Settlement Fund (after payment of Settlement Administration Costs and Taxes and Tax-Related Expenses) to

make payments for Fee Award and Costs, followed by Service Awards, followed by Valid Claims for Documented Losses, followed by Valid Claims for Credit Monitoring, followed by Valid Claims for Alternative Cash Payments.

135. If the funds remaining in the Net Settlement Fund are not sufficient to make payment for those Valid Claims for Documented Losses, then the value of the payments for Valid Claims for Documented Losses shall be reduced on a *pro rata* basis, such that the aggregate value of all payments for Valid Claims for Documented Losses does not exceed the Net Settlement Fund. In such an event, no Net Settlement Funds will be distributed for Valid Claims for Credit Monitoring or Valid Claims for Alternative Cash Payments.

136. In the event that the funds remaining in the Net Settlement Fund after payment for Valid Claims for Documented Losses are not sufficient to make payment for those Valid Claims for Credit Monitoring, then the number of years of Credit Monitoring shall be reduced on a *pro rata* basis, such that the aggregate value of all payments for Valid Claims for Documented Losses and Valid Claims for Credit Monitoring does not exceed the Net Settlement Fund. In such an event, no Net Settlement Funds will be distributed for Valid Claims for Alternative Cash Payments.

137. In the event that funds remaining in the Net Settlement Fund after the payment for Valid Claims for Documented Losses and Valid Claims for Credit Monitoring are not sufficient to make payment for the full amount of the Valid Claims for Alternative Cash Payments (*i.e.*, One Hundred Dollars and Zero Cents (\$100.00) per Valid Claim for Group 1 Settlement Class Members and/or Fifty Dollars and Zero Cents (\$50.00) per Valid Claim for Group 2 Settlement Class Members), then the value of the Valid Claims for Alternative Cash Payments shall be reduced on a *pro rata* basis, such that the aggregate value of all payments for Valid Claims for Alternative Cash Payments does not exceed the Net Settlement Fund.

138. All *pro rata* determinations required by this Settlement Agreement shall be

performed by the Settlement Administrator upon notice to Class Counsel and Defendants' counsel.

139. In the event that the aggregate amount of all Settlement Payments does not exceed the Net Settlement Fund, and the remaining amount is not *de minimis* (as determined by Class Counsel and Defendants' counsel based on calculations provided by the Settlement Administrator), then each Settlement Class Member who is entitled to receive payment for a Valid Claim for Alternative Cash Payment(s) shall receive funds increased on a proportional *pro rata* basis (in other words, the same amount is added to each Group 1 Settlement Class Member's Valid Claim, which is twice the amount added to each Group 2 Settlement Class Member's Valid Claim) so that the Net Settlement Fund is depleted. In the event that residual distributions are made pursuant to this Paragraph, under no circumstances shall a Settlement Class Member receive more than two (2) times the value of his or her Valid Claim for Alternative Cash Payment(s), or more than Two Hundred Dollars and Zero Cents (\$200.00) for each Group 1 Settlement Class Member and One Hundred Dollars and Zero Cents (\$100.00) for each Group 2 Settlement Class Member.

140. No portion of the Settlement Fund shall revert or be repaid to Defendants after the Effective Date. To the extent any monies remain in the Residual Settlement Fund more than one hundred fifty (150) days after the distribution of Settlement payments to the Settlement Class Members, or thirty (30) days after all reissued Settlement Checks are no longer negotiable, whichever occurs later or as otherwise agreed to by the Parties, any remaining monies shall be distributed as required by state law or to the Non-Profit Residual Recipient.

**X. Final Approval Order and Final Judgment**

141. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, no later than 45 days before the original date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for

Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all of the requirements listed in the Settlement Agreement.

142. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Confirm that the Notice Program as carried out satisfied Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- e. Release Defendants and the other Released Parties from the Released Claims; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to the Settlement Agreement, including Defendants, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce the Settlement Agreement in accordance with its terms.

**XI. Service Awards, Attorneys' Fees and Costs**

143. **Service Awards** – The Class Representatives may seek Service Awards of up to

\$2,500 each, subject to Court approval. The Service Awards shall be payable out of the Settlement Fund by the Settlement Administrator to Class Counsel or to the Class Representatives directly, within twenty (20) days of the Effective Date. Class Counsel will provide the Settlement Administrator with instructions following the Effective Date.

144. **Attorneys' Fees and Costs** - Class Counsel shall apply to the Court for an award of attorneys' fees of up to one-third of the Settlement Fund, plus reimbursement of reasonable costs. The attorneys' fees and cost awards approved by the Court shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within twenty (20) days of the Effective Date.

145. This settlement is not contingent on approval of the request for attorneys' fees and costs or Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Settlement Agreement shall remain in force. The provision for attorneys' fees and costs was negotiated after all material terms of the Settlement Agreement.

146. To the extent applicable, and unless otherwise ordered by the Court, Class Counsel shall have the sole and absolute discretion to allocate any approved Fee Award and Costs among Plaintiffs' Counsel and any other attorneys for Plaintiffs. Defendants and their insurers and reinsurers shall have no liability or other responsibility for allocation of any such attorneys' fees and costs.

## **XII. Releases**

147. Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims.

148. The Released Claims include the release of Unknown Claims. “Unknown Claims” means claims that could have been raised in the Action, but which Plaintiffs, any Settlement Class Member, and/or any Releasing Party do not know or suspect exist which, if known by him, her or it, might affect his or her agreement to release the Released Parties or the Released Claims or might affect his or her decision to agree, object, or not to object to the settlement. Upon the Effective Date, Plaintiffs, the Settlement Class Members, and any Releasing Party shall be deemed to have, and shall have, expressly waived and relinquished, to the fullest extent permitted by law, and specifically agree to the non-application to this Settlement Agreement, the provisions, rights and benefits of Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

149. Upon the Effective Date, each of the Releasing Parties shall be deemed to have, and shall have, waived any and all provisions, rights and benefits conferred by any law of any state, the District of Columbia or territory of the United States, by federal law, or principle of common law, or the law of any jurisdiction outside of the United States, which is similar, comparable or equivalent to Section 1542 of the California Civil Code. Class Representatives, the Settlement Class, and the Releasing Parties acknowledge that they may discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of the Release, but that it is their intention to finally and forever settle and release the Released Claims, including, but not limited to, any Unknown Claims they may have, as that term is defined in this Paragraph.

150. Upon the entry of the Final Approval Order and Judgment, Plaintiffs and the Settlement Class Members shall be enjoined from prosecuting any claim they have released in the

preceding paragraphs in any proceeding against any of the Released Parties or based on any actions taken by any of the Released Parties that are authorized or required by the Settlement Agreement or by the Final Approval Order. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this section.

**XIII. Modification/Termination of Settlement**

151. The terms and provisions of this Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties, signed by Class Counsel and Defendants' counsel and, if the Settlement Agreement has already been approved preliminarily by the Court, with approval of the Court; provided, however, that, after entry of the Preliminary Approval Order, the Parties may, by written agreement, effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits hereto) without further notice to the Settlement Class or approval by the Court if such changes are consistent with the Court's Preliminary Approval Order and do not materially alter, reduce, or limit the rights of Settlement Class Members under the Settlement Agreement.

152. This Settlement Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Settlement Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

153. If any of the conditions specified in the preceding paragraph are not met, or if the

Court otherwise imposes any modification to or condition to approval of the settlement to which the Parties do not consent, then this Settlement Agreement shall be cancelled, terminated, and deemed null and void.

154. Additionally, Defendants shall have the sole option to terminate this Settlement Agreement if more than one hundred (100) opt-outs of the settlement are received. Defendants shall notify Class Counsel and the Court of its intent to terminate this Settlement Agreement pursuant to this paragraph within ten (10) business days after the end of the Opt-Out Period, or the option to terminate shall be considered waived.

155. In the event this Settlement Agreement is terminated or fails to become effective, then this Settlement Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendants', and Defendants' counsel's obligations under the Settlement Agreement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Settlement Agreement. The Parties shall further jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, all of the Parties' respective pre-settlement rights, claims, and defenses will be retained and preserved; any discussions, offers, or negotiations associated with this settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose; and the terms and provisions of this Settlement Agreement shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Settlement Agreement shall be treated as vacated, *nunc pro tunc*.

156. In the event this Settlement Agreement is terminated or fails to become effective, all funds in the Settlement Fund shall be promptly returned to Defendant DG3. However, Defendants shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement

Administrator the Settlement Administration Costs paid. After payment of any Settlement Administration Costs that have been incurred and are due to be paid from the Settlement Fund, the Settlement Administrator shall return the balance of the Settlement Fund to Defendant within twenty (20) days of termination.

**XIV. No Admission of Liability**

157. This Settlement Agreement reflects the Parties' compromise and settlement of disputed claims. This Settlement Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendants have denied and continue to deny each of the claims and contentions alleged in the Complaint. Defendants specifically deny that a class could or should be certified in the Action for litigation purposes. Defendants do not admit any liability or wrongdoing of any kind, by this Settlement Agreement or otherwise. Defendants have agreed to enter into this Settlement Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

158. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the Settlement Class Member Benefits, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel have investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed settlement set forth in the Settlement Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class Members.

159. This Settlement Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of the Settlement

Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

160. Neither the Settlement Agreement, nor any act performed or document executed pursuant to or in furtherance of the settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

161. In addition to any other defenses Defendants or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, the Settlement Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of the Settlement Agreement or the Releases contained herein.

#### **XV. Miscellaneous Provisions**

162. Confidentiality. To the extent permitted by ethics rules, the Parties and their counsel shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Settlement Agreement. No Party will make any public statement about the settlement that has not been approved by the other Parties, except as required or authorized by law. Approval of any proposed public statement of the other Parties will not be unreasonably withheld. This Paragraph shall not be construed to limit or impede the Notice requirements contained in this Settlement Agreement, nor shall this Paragraph be construed to prevent Class Counsel or Defendants' counsel from notifying or explaining that the Action has

settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement Agreement, Preliminary Approval, Final Approval, and any objection to the settlement's terms. Defendants may also provide information about the settlement to its attorneys, members, partners, insurers, brokers, agents, and other persons or entities as required by securities laws or other applicable laws and regulations.

163. Deadlines. If any of the dates or deadlines specified herein falls on a weekend or legal holiday, the applicable date or deadline shall fall on the next business day. All reference to "days" in the Settlement Agreement shall refer to calendar days unless otherwise specified.

164. Gender and Plurals. As used in the Settlement Agreement, the masculine, feminine or neutral gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

165. Headings. The headings contained in this Settlement Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Settlement Agreement.

166. Binding Effect. This Settlement Agreement shall be binding upon, and inure to and for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

167. Cooperation of Parties. The Parties to the Settlement Agreement agree to cooperate in good faith to prepare and execute all documents, seek Court approval, uphold Court approval, and do all things reasonably necessary to complete and effectuate the settlement described in this Settlement Agreement.

168. Obligation to Meet and Confer. Before filing any motion in the Court raising a dispute arising out of or related to this Settlement Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

169. Integration and No Reliance. The Settlement Agreement constitutes a single,

integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Settlement Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Settlement Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

170. No Conflict Intended. Any inconsistency between the headings used in this Settlement Agreement and the text of the paragraphs of this Settlement Agreement shall be resolved in favor of the text.

171. Governing Law. Except as otherwise provided herein, the Settlement Agreement shall be construed in accordance with, and be governed by, the laws of the State of New Jersey, without regard to the principles thereof regarding choice of law.

172. Counterparts. This Settlement Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required. Any signature submitted by facsimile, through email of a PDF, or DocuSign shall be deemed an original.

173. Jurisdiction. The Court shall retain jurisdiction over the implementation, enforcement, and performance of the Settlement Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this

purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

176. No Waiver. The waiver by any Party of any breach of this Settlement Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of the Settlement Agreement.

law made in connection with this Action; and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Settlement Agreement, that will not affect or in any respect limit the binding nature of this Settlement Agreement. All Parties recognize and acknowledge they reviewed and analyzed data that they and their experts used to make certain determinations, arguments, and settlement positions. The Parties agree this settlement is fair, reasonable, and adequate, and will not attempt to renegotiate or otherwise void or invalidate or terminate the settlement irrespective of what any unexamined data later shows.
